It has rewarded by: the Dundee Institute of Technology, in the page no: 101. It is clear that Jute is the golden fiber of Bangladesh. It has rewarded by: The Dundee Institution of Technology, the people of Dundee, the thousands of people, who over the years have been involved with the Jute trade and industry, collectively constitute a very specially bond between Dundee and Bangladesh. Jute industry is progressed and real -med by her. Its name and fame are fully world- wide.

The 3rd chapter under review is about Academic Lectures. Its page is from 109 to 150. She has lectured in Developed Countries in the world. She has described about liberty, “The Bengal Of Golden“, Bangladesh’s war of liberation claimed over three Millions lives, 200,000 mothers and sisters were violated by beasts let loose on people seeking freedom in the

page no: 110. The great tragedy of killing is in the shocking history of Sheikh Mujibur Rahman. The rigging of elections became all the more essential as it was necessary for martial law rulers to legitimize their actions through amending the constitution. In order to amend the constitution a two-thirds majority was required in the page no: 145. This chapter under review is noticed that Military Ruling has blackened the history of Bangladesh.

The fourth chapter under review is about Speeches at the investigation Meetings and Receptions which is from 151 to 216 pages. In 151 page, she says: We are one of the most open economics among developing countries and wish to continue the process. It has taken that a review assumes a new goal to open the sustainable development for Bangladesh. The present prime minister said: We have adequate ports, roads, rail-way, network, air-link and telecommunication facilities in the page no: 151. She wants to the international to give her a helping hand for her country such as Macro-economics to eradicate the poverty. Taka, the currency is openly convertible to remit a profit dividends capital for the economics power of Bangladesh. Cairn energy, jute fiber, vegetable fiber, and future fragment are applied by her to the nations. She says; We can claim that Bangladesh is the most attractive investment destination in the South Asia. Her dreams seem under reviewing that is felt so happy to be described in this book as the greatest patriot outstanding therapy.

The book under review in the fifth chapter is about Banquet Speeches. This is from 217 to 248 pages. This chapter under reviewing, a reviewer can say that she has enrolled Independence, Sovereignty, Territorial Integrity, Democratic Norms and Foreign Entrepreneurs. The reviewer more can say that she tries to approach their country in the whole world-wide to achieve democracy path free market, promotion of peace, stability, human rights, good governance across the world and to establish politico-economics rights and to keep up the human power and natural resources.

The sixth chapter under reviewing is about Speeches at the international Seminars, Conference's and Gatherings in Dhaka. This page under reviewing is from 251 to 326 pages. This is why that East Asian Success, Free Market Economic is being posited. South Asia, East Asia, North Asia and West Asia are not far from fares but all are equally that can rise up emerging Tiger free from tyranny by happiness and ever agony. The authoress wants to go to the fares journey towards peace and development for the country. As the reviewer, he

can retell that she wants to prove and empower that independence is the final result of a series of the struggle and supreme sacrifices. The book under reviewing has to improve that her commitment to democracy and market economy should convince all potential investors of the safety of their investments. She seems that film is one of the powerful mass and art media of the present day world. The seventh chapter is about the speeches at two important national events. This page is from 327 to 344 pages. The book under reviewing that has seen that she has attempted to en-free from tribal and Bengalees conflicts in Hill-tracts areas. The reviewer trusts that the book is fully speeches of Sheikh Hasina which is appropriated the titled of "MILES TO GO ".

CONCLUSION:

The book under reviewing as the reviewer has comprehended that Ex-present prime minister Sheikh Hsaina has to be tried spreading for the long times as for good the Military Ruling and to set up a trial just mean a real court against The friend of Bengal killers. History tells speaking. The History of Bengal means killing History. The notorious coward sons of this nation have killed Nawab Siraj-ud-doulah and His daughter Johra who is 6 years old and The greatest thousand years of the son of this soil, Bangabandhu Sheikh Mjibur Rahman with his baby Sheikh Russel are killed by this country's Hyenas. The book under reviewing seems to be the real truth that she is the greatest daughter of Bangladesh because she has succeeded to give the sentence the friend of Bengal and the friend of Bengal killers. Today country is free from The friend of Bengal killers. As a reviewer, I can believe that she has ascended the two times in the palace of the Bengal with taking the mandate of the subjects of the Bengal and more hope that she will make up filling up Vision – 2021 and will establish a country with Digitalization and the country free from Rajakar, Al-badar, Al-shams and Al-shaheen who are moving away in roaring as tiger in as like the phantom shade of ferocious ghost and they are becoming the women of Bengal as the wealth of Ganeemat I do not understand that are the Rajakar Curse or Blessing for the independence of Bangladesh? So I pray to ALLAH that " MILES TO GO" is to go away in the fares goal and unjust oppressor, killing and Military cue will be departure for good where Sheikh Hasina will found the future Government and her dreams may fill up for the eternal times.

In this regard, The reviewer want to increase and publish this book wide-spread and thanking GOD. The readers, political leaders and researchers will get a mammoth lessons

and elements to make their eternal future goal. On the concluding saying the book n” MILES TO GO” is highly recommended for its rich contents and rare publishing on the speaking of the daughter of Bengal, Sheikh Hasina for all kinds of readers, students and researchers for any patriots of the world people
